Dear Legislators:

The report of estimated appropriation year 2021 general fund, general purpose lapses required by Public Act 166 of 2020 is attached.

Departments are not scheduled to be complete with year-end transaction processing until mid-December. As a result, the department-level lapse amounts included in the attached report are based on preliminary estimates provided by the departments, rather than preliminary book closing data from the state's accounting system. We will provide an updated report based on preliminary book closing data, which shows estimated lapses by appropriation category, as soon as possible. At that time, we will also provide a report of estimated lapses by line item appropriation to the Senate Fiscal Agency and House Fiscal Agency.

Questions regarding the report should be directed to Bethany Wicksall at WicksallB2@michigan.gov.

Sincerely,

Christopher M. Harkins
State Budget Director
